TEN AMERICANS

After Paul Klee

February 3 - May 6, 2018

Location: The Phillips Collection, 1600 21st Street, NW, Washington DC

We like to bring to your attention an art exhibit which showcases the influence the famous Swiss painter **Paul Klee** exerted on American artists in the mid 20th century. The exhibit will remain open to the public till May 6, 2018.

Further details on the exhibit can be found at the web-link below:
